Nursery Handbook For Families

St. Timothy's Episcopal Church

Welcome

Dear Parents,

Welcome to our nursery at St. Timothy's Episcopal Church! We are committed to provide a loving and faith-filled environment that is safe, secure, and clean. Care for children ages 3mos-4yo is offered Sundays 10:00am-11:45am and during seasonal special events.

We hope this handbook will be of assistance to you. Please take time to review and understand our policies. If you have any questions, please feel free to reach out to me.

In Christ's Love,

Martha Whitesides Director of Christian Formation formation@st-tim.org 919-606-7213

Registration

Each child that participates in the nursery (and any other event) needs to have information on file for St. Timothy's to safely and securely provide the best possible care for our young people. You will find a paper form at the end of this packet that is for nursery age only (3mos-4yo). You may also fill out the online version, which will have a few extra questions since it covers all ages (3mos-18yo).

General Policies

Check in/out

- 1. The nursery is in Classroom 2 of the Education Building. The easiest way to enter is through the red door facing the Chapel. Once in the entryway, enter the hallway and the classroom will be the first one on your left.
- 2. The adult dropping off must fill out the check-in sheet each time. Please fill it out in full to help the nursery staff best care for your child(ren). Most questions should be easy—things like name, phone number, allergies, bottle schedule, etc.
- 3. When leaving, the adult must also sign the child out.

Food

There will be no snack provided and no snack time set up. We ask that non-bottle food be consumed before or after nursery time. In the event of a longer nursery stay, snack will be considered on a case-by-case basis for that specific event. **Regardless, our Education building is a nut-free building.**

Bottles

Please provide specific instructions for babies needing a bottle during the time frame (whether scheduled or otherwise).

Diapers

All children should arrive with a newly changed, clean, dry diaper. At least one change should be provided and left in the nursery in a bag labeled with the child's name.

Pacifiers

All pacifiers must be securely clipped to a child's clothing.

Service Needs

Should a parent/adult be needed during the service/event, they will be texted by one of the nursery workers. Please keep your phone available in case.

Health Policy

'TIS THE SEASON FOR RUNNY NOSES!

Please help keep our St. Timothy's children healthy by adhering to the Nursery Health Policy below.

PLEASE KEEP YOUR CHILD HOME if your child shows any of the following symptoms or has been on antibiotics for less than 24 hours:

- Fever (within past 24 hours)
- · Runny Nose
- Unknown or Contagious Rashes
- Coughing
- Diarrhea
- Chicken Pox
- Hand Foot Mouth
- Conjunctivitis (Pink Eye)
- Lice

We realize that some symptoms remain long after a child is no longer contagious. However, these guidelines are in place because we want our caregivers and all of the children in our care to remain healthy. What may be "just a cold" for your child may mean months of ear infections for another child.

If a child in our care is observed having any of the above symptoms, we will have to ask the parents to take him or her home. Thank you for helping us to achieve our mission!!

Any questions about Nursery Policy should be brought to Martha Whitesides, Director of Christian Formation 919-606-7213
