Senior Warden's Report September 2024

Fall is in the air and there is excitement about many new and fun things going on at St. Tim's! The first creative service held this passed Sunday afternoon was enjoyed by a nice group of folks and there were several new faces at the 10:15 service, as well. Our staff continues to work hard to provide space and opportunities for all. Everyone is looking forward to the Lobster Fair and our Junior Warden and his team continue to do a great job of planning, getting the word out, and encouraging all to participate. October 12 will be here before we know it and the lobsters are coming.

Our Annual Giving campaign will kick off in a few weeks and I encourage every Vestry member to be a part of the campaign in one way or another. I feel sure Chip and Barbara would be happy to accept our offers to help, and thanks to John P-A and Tom Payne for their roles as part of the team!

The Admin. Committee met and the Counting Procedures Document is updated and the new envelopes will be printed and ready to use September 22. Please read over the document and be familiar with the new envelopes. I have asked Megan to include these with the reports.

Our buildings are posing more issues but Malcolm Williams and Chuck Widney are working to take care of these. The engineer will be here next week to evaluate the Ed Building and a roofer is meeting with Malcolm to look at leaks we have had in the Parish Hall and inside the church. Once GUC marks the gas, water, and power lines throughout the campus, two landscapers have been asked to come, look at the area around the Ed Building, and give us bids for the

drainage work that is needed. Malcolm has called and requested a work order so we hope this will be completed within the week.

We have much to be thankful for and I look forward to the next months as we work together to serve others, manage our property, celebrate our blessings, and do our very best to be there for everyone in our parish.

Faithfully submitted,
Debbie Strickland

Junior Warden

The program year accelerates activities here at St. Timothy's. With the addition of the Lobster Fair, a Stewardship campaign and numerous building concerns, our attention must be focused on achieving the best outcomes for the health of this community. We all play a vital role in the health of the congregation. As Junior warden I have been able to count on the experience, expertise, and energy of many people, this is obvious in the reports presented for the Building and Grounds area. In the short term I ask for everyone to apply a special emphasis on our annual family event, the Lobster Fair which increases our bonds internally and to the greater community.

Rector's Report September 2024

September 8th was a good day. The 10:15 service felt full and I counted 17 people who were either first time visitors or people who rarely attend worship. Our 4pm service kicked off with a bang and had four people in attendance who do not often attend morning worship. Efforts are being made to create a pool of volunteers to support that service totally independent from the pool of volunteers in our morning services. Our total Sunday attendance was 149.

I am excited about the approaching Fall Pledge Drive. I feel like I have grown some over the summer in my understanding of how to approach it and our annual stewardship efforts. I am proud of the packet that we will send out this year and hope that we have discussions that grow out of the documents. The vestry is receiving their packets at the September meeting in hopes that you can get your pledges in before our campaign begins for the rest of the church. It is always important to be able to say that we have full participation from the vestry. You will also receive a table that explains where the breakdown of expenditures in our packet comes from. It will be important for the vestry to be able to articulate what we are trying to communicate with our congregation.

The search for our next musician(s) at St. Timothy's will hopefully pick up some steam soon as additional networking and advertisement begins to help out. Martha has been a very helpful support in that process but warns that her other work leads her to believe that music hires are the hardest ones to make. Martha, Joyce Witman and I are trying to put together an adult formation series that we believe could be very impactful.

Stewardship Meeting **September 5, 2024 10 am**

Goals:

- \$450,000 total including pledge, miscellaneous, plate, rental, etc.
- Connectivity
- Transparent finances
- Celebrate St. Timothy's successes

New Horizons:

- **Mission:** Working to identify two or three things that define our work. Making it as easy as possible to participate
- **Worship:** Appealing to a different demographic with a third service, unlike our morning worship every Sunday at 4 pm.
- **Communication:** Partnering with St. Paul's to add experience and expertise to our social media and online presence.
- **Music:** Hiring a director of music ministry for our morning worship and building the support needed for our 4 pm service

Building and Grounds meeting September 11, 2014

Committee member present: Scott Crippen, Orlando Cruz, Brent Foster, Ray Franks, Riely Roberts, Chuck Widney, Malcolm Williams.

Malcolm Williams opened the meeting with Prayer.

1. Safety Inspection notes: Chuck Widney led review of safety inspection; all members had received a copy of the report. Primary concern was over the storage of flammable liquids(candle oil, lighter fuel) in small quantities. Orlando Cruz suggested an option of storing in a fire proof cabinet if we felt they provided a large enough danger. The consensus was that there is little risk in the storage of small quantities of these materials. Chuck will review the city code and revise inspection where appropriate and present to group for comments. Orlando also advised the Scout shed should be exempt from restrictions on flammable liquids as it is not an inhabited building.
2. Parish Workday, Saturday, September 21 8:30am; Sunday, September 22 after church; sign up option: Malcolm will prepare a flip chart for sign up on this coming Sunday of workday jobs. Individuals will have a chance to sign up for tasks and complete them on their own schedule if desired.
3. Update on Education Building moisture problems: Malcolm has met with Wilson Pugh for initial consolation, no charge has been incurred for this visit. Wilson concurred with Ross Woodall that the first action to complete is removal of the shrubbery and installation of French drains. Concern over the disposition of how

the water off the roofs will be handled was expressed and needs to be considered in the solution. A request for the marking of utilities has been made so that work requirements for installation will be clear. Two bids will be sought for the drainage work

4. Leaks in parish hall: leaks have been found in the ceiling of the women's restroom and the right corner of the middle pod. Jeff Walker and crew came to evaluate and repair roofing September 12 morning.
5. Water stains in Church: recently discovered in sanctuary, Jeff Walker thought the pattern on the inside and mold on the brick on the outside indicated water was penetrating the brick, but unable to drain out. Likely solution to seal the brick. Malcom will discuss with Ross Woodall for additional evaluation by engineer. Jeff Walker will also evaluate vent and flashing on church building above the narthex.
6. Update on roots under sidewalk: Pending estimate from Fidel Battista, pending consultation with arborist.
7. Update on new railing for Multipurpose building: The job has been presented to the metal worker.
8. Update on Eagle Scout project: assembling supplies for installation, no clear start date.
9. Update on benches: ordered, pending delivery to store.

Workday tasks identified:

- Trim trees overhanging walk and driveways; trim dead from trees; haul off debris to Recycling
- Remove dead trees from rideside
- Check all lighting and replace bulbs as needed.
- Inspect each facet, drain and toilet for leaks and repair as needed.
- Clean church windows, use squeegee
- Clean ledges in church, knock down spider webs
- Clean off spider webs on exterior of buildings.
- Clean gutters
- Clean parish hall windows
- Clean and organize parish hall attic
- Clean church NE furnace closet
- Spread pine straw to thin areas
- Clean and organize Chapel closet

Inreach-Bitsie Harwell

- This summer has been very active for the Inreach Committee. Working as groups of three each week we respond to individual needs within the church family as we are made aware of them, usually with a call or a card as appropriate to find out how we can help in each situation.

Also this summer we have a major change within our committee. Mary Vincent has stepped down as chair after starting this group over nine years ago. She continues to serve with her weekly group. It takes two people to do what she has been doing alone so Linda Lane and I are serving as co-chairs for the remainder of 2024. Please contact either of us with questions or concerns as they come up.

Outreach Committee-Sharyn Lennox and Nancy Leamy

The Outreach Committee met the last week of August.

- Decision was made to donate \$500.00 to the Community Crossroads Center for their building project. Building will include offices, meeting spaces, lots of storage and allow the current office spaces to be used for family rooms.
- Operation Sunshine was chosen as one of three non-profits to be recognized at a New Year's Eve event at the Convention Center in Greenville. Chris Godley, a local State Farm Agent began this several years ago to assist non-profits in Greenville. Along with Operation Sunshine, Aces for Autism and Boys and Girls Club will also participate. Our Outreach Committee was asked to try to donate \$500.00 and also sell tickets (\$50.00 each) for a table of 8. Two free tickets will be given to us. A videographer visited the center last spring and that video will be shown that night. After the event is over each agency will be given \$20,000.
- The first Sunday of November we will sponsor a JOY soup kitchen drive for the Nabs and fruit cups. It was decided that two or three drives a year might generate more for the soup kitchen than a few things here and there.
- It was also decided that we would sponsor several foster children again this year. However we are scaling back on number of children and number of gifts. We'll explain to the social worker that we will not purchase any gift over \$50.00 and will limit the gifts to \$75.00 per child. Electronics are very costly and we feel that most of those gifts are too expensive for us.
- Rise Against Hunger will be held in either January or February of 2025. We're checking out the calendar to find the best date.
- Dennie Walker will be joining the Outreach Committee in November.

Community Garden

The garden is transitioning to cooler season vegetables, planting is on schedule for these crops. Attendance has been down slightly as end of summer vacations and rainy days have reduced turnout.

Memorial Garden

Installation of the irrigation system and height adjustments have been made. The contractor did an excellent job to give the garden an improved appearance.

Building and Grounds

Meeting scheduled for September 11.

Lobster Fair

Meeting scheduled for September 12. Activities on track. Promote the Fair, sell lobsters.

PLANNED GIVING

The Faith Fund Endowment Committee met on August 28, 2024. All members (Bert Powell, Ed Kirby and Barbour Strickland) were present.

As of July 31, 2024 the General Endowment Fund's market value is \$11,366.78 (\$10,500 invested) and the Permanent Endowment Fund's market value is \$10,253.32 (\$10,032 invested).

The committee is pleased with the performance of the two accounts that are managed by State Street Global Advisors (SSGA) through the Episcopal Church Foundation. Both the General and Permanent Endowment Funds are invested in SSGA's Balanced Funds (approximately 60% stocks and 40% bonds).

An update on the Faith Fund was included in the Wednesday, September 4th E-blast, and is also included on the website under "Latest Posts" on the homepage.

The next Faith Fund educational program will be held on Thursday, January 23, 2025. It will be conducted by Amy Wells, an attorney with Gaylord, McNally, Strickland, Snyder & Wells. The program will be about how wills, estates and planned giving can help shape St. Timothy's future.

[Amy is a highly accomplished legal professional with a robust educational background and extensive community involvement. She graduated Magna Cum Laude from Davidson College in 1993 with a degree in Economics and earned her J.D. from the University of Virginia Law School in 1996. Amy is actively engaged in her community, frequently lecturing on business and

estate planning, nonprofit corporations, and tax matters. She has contributed as an author and editor to the *North Carolina General Practice Deskbook* and focuses her legal practice on business and corporate matters, estate planning and administration, tax, municipal law, and real estate. Amy is married to Warner Wells and has two children.]

The next Faith Fund Endowment Committee meeting is scheduled for November 5, 2024.

ANNUAL GIVING

Goals for the upcoming Stewardship Campaign include a monetary amount of \$450,000 to include pledges, misc., plate, rentals, etc., connectivity, transparent finances, and celebration of St. Tim's successes. The campaign will kick off Sunday, September 29, and will end with a celebration Sunday, November 3. Instead of the usual letter, there will be a pamphlet mailed to the parishioners and John P-A has worked to gather and compile the information included. Barbara Williams has contacted and lined up Vestry members to share what excites them about St. Tim's at each service beginning September 8 and ending October 26. Much appreciation to Chip and Barbara Williams, Tom Payne, and John P-A for ALL they have done and will do to make this a meaningful, informative, and successful campaign. Acolytes, Susan Holmes

There will be a training event September 22 and October 20 both immediately following the 10:15 Service. This training will be for Newcomers as well as seasoned veterans. Young folks in the 3rd grade or older may serve as acolytes. If there are adults who wish to serve in this capacity, they may attend as well.

A/V, Marie Cooper

The St. Tim's AV Team continues to uncover the twists and curves of our electronic system and to learn how to adjust correct or explore options for getting it back to normal operation mode. This ongoing challenge also requires constant updating of the A/V Manual so as to keep all team members informed of documented procedures and mending techniques. Our new Interim Music Director, Tyler Schodt, is also finding our manual useful to expand his expertise with the sound system for both services and musical groups.

Formation: Martha Whitesides

We've had a fun kick-off season since I last updated you all! We had our first CCC packing party of the year on August 4. We had 14 students at our youth pool party, graciously hosted by Chip and Barbara Williams. The family game night was a huge success with 35 attendees and all types of games. Thank you to Debbie Strickland for facilitating the meal. While I was out, I heard great reports from Blessing of the Backpacks as well as September families first. Our most recent Sunday, the 8th with our parish potluck (felt so full, lots of ages!) and the first night of EYC (10 students, 4 adults), was great as well. We have also begun the 2024-2025 meeting calendar for the formation committee, welcoming 3 new members including 2 high schoolers.
